# MSCF FACULTY JOB POSTING

**POSITION**: Diesel Mechanics Faculty (PCN 01064891)

**STARTING DATE**: Approximately August 11, 2014

**APPOINTMENT**: Full-Time Unlimited

**DEADLINE**: To receive guaranteed consideration, application materials should be submitted online by **May 27, 2014**. The search will remain open until the position is filled.

Alexandria Technical & Community College Diesel Mechanics graduates are recognized for industry leading excellence in the heavy truck, construction, and ag equipment sectors. The college is searching for an instructor that will work with existing faculty in building on this tradition of student success, expanding industry partnerships, and positioning the program for future growth.

**RESPONSIBILITIES**:
Full-time instructional position to teach courses in diesel mechanic technology. This position will be in the Transportation Division of the college. Other duties will include, but are not limited to:

- recruiting and interviewing prospective students
- advising current students
- developing and delivering curriculum
- assisting in job placement for graduates
- maintaining an on-going relationship with industry and seeking donations
- managing the diesel program and its projects
- maintaining diesel mechanics shop and equipment
- maintaining and promoting a safe working environment
- completing the teaching and learning competency requirement in first three years of employment

**MINIMUM QUALIFICATIONS:**
*Educational Substitutions*

- Bachelor or above degree in appropriate major and 4000 hours of occupational experience or
- Associate degree or two year diploma (90 quarter credits) in appropriate field and 6000 hours of occupational experience or
- One year diploma in appropriate field and 7000 hours of occupational experience or
- Courses for credit or clock hours (1 quarter credit/20 hours or 1 semester credit/30 hours) with an appropriate title or prefix and occupational hours totaling 8000.

*Occupational Experience Requirement*

- 8000 hours of occupational experience in mechanics repair of heavy diesel engines, i.e. construction equipment, buses and trucks

*Recency Requirement*

- One year of this work experience shall be within the five years immediately preceding the date of application for the credential field. The recency requirement shall be waived if the individual has two years of successful full-time (or equivalent) postsecondary teaching experience in the credential field within the last five years.

Alexandria Technical and Community College is accredited by The Higher Learning Commission, A Commission of the North Central Association of Colleges and Schools

**PREFERRED QUALIFICATIONS:**

- Industry related certifications
- Teaching/training/mentoring experience
- Excellent written and oral communication skills
- Ability to work both independently and with a variety of people as a team member
- Ability to work with a diverse student body with a broad range of interests and abilities
- Valid Minnesota CDL or ability to obtain one

**NOTICE**: In accordance with the Minnesota State Colleges & Universities (MnSCU) Vehicle Fleet Safety Program, employees driving on college/university business who use a rental or state vehicle shall be required to conform to MnSCU's vehicle use criteria and consent to a Motor Vehicle Records check.
