Walkway pavers

Photos represent the bench and paver concepts to be incorporated in the pathways and bench walls for the Foundation Hall Patio.

Create Your Legacy Today

Honor a graduate, honor a friend, remember a loved one, celebrate a special occasion or thank someone special in your life. Your gift to this project is tax deductible with funds raised going towards the new WELCOME CENTER, patio and walkway.

The Walk and Patio will be enjoyed for years by students and their families, faculty, as well as community members. The Welcome center and patio will be used for both student and foundation events.

Engraved donor bricks will be laid on the patio in front of FOUNDATION HALL, on the campus at Alexandria Technical & Community College.

A detailed plan showing the lay out of the patio is available at the website or it can be viewed at the foundation office.

An order form and paver layout can be down loaded at www.alextech.edu/foundation/pavers For more information or hard copies contact the ATCC Foundation office at 320-763-4670 or email at LindaR@alextech.edu.
