

2010-2011 Assessment Cycle (2010-2011Assessment Cycle)

## Assessment Plan

### Mission Statement

Upon graduation and initial employment, the medical laboratory technician should be able to demonstrate entry-level competencies in all areas of the professional practice.

### Learning Outcomes and Measures

#### Medical Laboratory Technician Outcome Set

##### Learning Outcome

Registry Exam Scores  
MLT graduates will score above the national average.

Marked obsolete by Wanda Haberer on 05/08/2011 12:56:09 pm CDT

▼ Measure: ATCC MLT Board of Certification (BOC) Scores  
Program level: Direct - Exam

Details/Description: Program BOC Scores  
Acceptable Target: Program BOC scores above National average  
Ideal Target: Program scores well above the National average  
Implementation Plan (timeline): Student BOC scores of 2011 (July - Dec)  
Key/Responsible Personnel: Wanda Haberer

▼ Measure: Employer Evaluation of ATCC MLT graduates  
Program level: Indirect - Survey

Details/Description: Employer Survey of ATCC MLT graduates based on affective, technical and knowledge qualities.  
Acceptable Target: Affective, technical and knowledge qualities of ATCC MLT graduates are rated as good.  
Ideal Target: Affective, technical and knowledge qualities of ATCC MLT graduates are rated as excellent.  
Implementation Plan (timeline): Data for 2011 Graduates  
Key/Responsible Personnel: Wanda Haberer

Hematology  
Upon graduation and initial employment the MLT should be able to demonstrate entry-level competencies in Hematology

▼ Measure: ATCC MLT Board of Certification - ASCP  
Program level: Direct - Exam

Details/Description: Program Hematology BOC Scores  
Acceptable Target: Program BOC scores above passing  
Ideal Target: Program BOC scores above national average  
Implementation Plan (timeline): Program BOC scores of 2011 (July - Dec)  
Key/Responsible Personnel: WH

Immunohematology (Blood Bank)  
Upon graduation and initial employment the MLT should be able to demonstrate entry-level competencies in immunohematology.

▼ Measure: ATCC MLT Board of Certification (BOC) Scores  
Program level: Direct - Exam

Details/Description: Program BOC Immunohematology Scores  
Acceptable Target: Program BOC score above passing  
Ideal Target: Program BOC score above national average

Implementation Plan (timeline): Program BOC scores of 2011 (July - Dec)

Key/Responsible Personnel: WH

### Urinalysis/Other Body Fluids

Upon graduation and initial employment the MLT should be able to demonstrate entry-level competencies in Urinalysis/Other Body Fluids.

▼ Measure: ATCC MLT Board of Certification (BOC) Scores  
Program level: Direct - Exam

Details/Description: Program BOC Urinalysis/Other Body Fluid scores

Acceptable Target: Program BOC scores above passing

Ideal Target: Program BOC scores above national average

Implementation Plan (timeline): Program BOC scores of 2011 (July - Dec)

Key/Responsible Personnel: WH

### Chemistry

Upon graduation and initial employment the MLT should be able to demonstrate entry-level competencies in Chemistry.

▼ Measure: ATCC MLT Board of Certification (BOC) scores  
Program level: Direct - Exam

Details/Description: Program Chemistry BOC scores

Acceptable Target: Program BOC scores above passing

Ideal Target: Program BOC scores above national average

Implementation Plan (timeline): Program BOC scores of 2011 (July-Dec)

Key/Responsible Personnel: WH

### Microbiology

Upon graduation and initial employment the MLT should be able to demonstrate entry-level competencies in Microbiology.

▼ Measure: ATCC MLT Board of Certification (BOC) Scores  
Program level: Direct - Exam

Details/Description: Program BOC Microbiology scores

Acceptable Target: Program BOC scores above passing

Ideal Target: Program BOC scores above national average

Implementation Plan (timeline): Program BOC scores of 2011 (July-Dec)

Key/Responsible Personnel: WH

### Immunology

Upon graduation and initial employment the MLT should be able to demonstrate entry-level competencies in Immunology.

▼ Measure: ATCC MLT Board of Certification (BOC) scores  
Program level: Direct - Exam

Details/Description: Program Immunology BOC scores

Acceptable Target: Program BOC scores above passing

Ideal Target: Program BOC scores above national average

Implementation Plan (timeline): Program BOC scores of 2011 (July-Dec)

Key/Responsible Personnel: WH

### Lab Operations

Upon graduation and initial employment the MLT should be able to demonstrate entry-level competencies in Lab Operations.

▼ Measure: ATCC MLT Board of Certification  
Program level: Direct - Exam

Details/Description: Program Lab Operations BOC score

Acceptable Target: Program BOC score above passing

Ideal Target: Program BOC score above national average

Implementation Plan (timeline): Program BOC scores of 2011 (July - Dec)

Key/Responsible Personnel: WH
