

Assessment Plan

Mission Statement

The mission of the Department of Nursing at Alexandria Technical & Community College is to provide students with an exceptional education that will prepare them for entry level nursing practice. This is accomplished through innovative and evidence-based curriculum. The faculty is committed to promoting caring, integrity, diversity, student success, community service, and life-long learning.

Measures

New nursing

Learning Outcome

Learning Outcome: Patient-centered Care

Provides quality, safe, holistic, compassionate and coordinated patient-centered care and assessments based on respect for patient/client preferences, values and needs through evidence-based practice.
