

Assessment Plan

Mission Statement

The mission of the Department of Nursing at Alexandria Technical & Community College is to provide students with an exceptional education that will prepare them for entry-level nursing practice. This is accomplished through innovative and evidence-based curriculum. The faculty is committed to promoting caring, integrity, diversity, student success, community service, and life-long learning.

Measures

PN revised

Learning Outcome

Learning Outcome: TEAMWORK AND COLLABORATION

Participate as a member of the interdisciplinary team collaborating and communicating with other health care providers to promote safe, quality, patient centered care.

▼ **Measure:** NCLEX-PN Exam and ATI Comprehensive Predictor
Program level Direct - Exam

Details/Description:	1. National Council Licensure Examination for Licensed Practical Nurses 2. Standardized testing from Assessment Technologies Institute
Acceptable Target:	1. 80% Student Pass rate first attempt on NCLEX-PN licensure exam 2. 75% of students will achieve an 80% or greater, probability of passing NCLEX
Ideal Target:	1. Student Pass rate first attempt on NCLEX-PN licensure exam is greater than the national average

	pass rate. 2. >80% of students will achieve an 80% or greater, probability of passing NCLEX.
Implementation Plan (timeline):	Spring 19
Key/Responsible Personnel:	PN instructors

Learning Outcome: SAFETY

Provide safe nursing practice in the provision of care.
