Course Placement and Testing

All Minnesota State 2-year colleges require that students provide evidence of course placement for math, reading, and writing courses that have a pre-requisite. ATCC accepts ACT, MCA, SAT scores, and successful college coursework (D or higher) as evidence of placement in lieu of taking the ACCUPLACER.

_____ **HS GPA (Valid for 10 years post-HS graduation date)**

_____ **Course placement completed. No further testing needed.**

_____ **Recommend test or retest in ACCUPLACER if scores indicate college prep.**
