Honorable Oballa Oballa

Honorable Rudy Rodriguez

Honorable Kathy Sheran

Honorable George Soule

Honorable Cheryl Tefer

Honorable Michael Vekich

DEGREES

› DIPLOMAS & CERTIFICATES ‹

ASSOCIATE IN ARTS DEGREE

An Associate in Arts (AA) Degree is awarded upon completion of a 60 minimum credit academic program in the liberal arts and sciences without a named field of study. It is designed for transfer to baccalaureate degree-granting institutions.

ASSOCIATE IN SCIENCE DEGREE

An Associate in Science (AS) degree is awarded upon completion of a 60 minimum credit academic program in scientific, technological, or other professional fields designed to transfer in its entirety to a related baccalaureate program by way of an articulation agreement between specific colleges and universities.

ASSOCIATE IN APPLIED SCIENCE DEGREE

An Associate in Applied Science (AAS) degree is awarded upon completion of a 60 minimum credit academic program in a named field of study in scientific, technological, or other professional field. This degree is not designed for transfer; however, articulation agreements may exist whereby at least part or all of this degree transfers between specific colleges and universities.

DIPLOMA

A diploma program may have an occupational outcome or address a focused area of study. Diplomas are typically not designed for transfer unless articulation agreements exist between specific colleges and universities.

CERTIFICATE

A certificate is awarded for successful completion of a specialized program of study of 30 semester credits or less.

ACADEMIC HONOR

A degree or diploma is awarded with academic honor on the basis of cumulative grade point average (GPA). To receive an honor (*), the student must earn a minimum cumulative GPA of 3.5 within the program of award.

› ACADEMIC ‹ **ATTIRE**

The custom of wearing a distinctive dress for academic ceremonies goes back to the Middle Ages, when long-sleeved, hooded gowns were necessary for warmth in the unheated stone colleges. Presently, academic costume is worn in the United States by persons taking part in academic ceremonies in general, at commencement ceremonies, at baccalaureate services, and at various inauguration ceremonies.

GOWN

The gown is relatively simple falling in straight lines from a fairly plain yoke. Traditionally, the higher the degree earned, the more elaborate the gown.

CAP

The square “oxford cap” or mortarboard of serge or broadcloth with a still crown is worn for most degrees. The tassel that hangs to the side is switched from the right to the left when the degree is awarded.

TASSEL

The color of the tassel indicates the academic achievement of the degree, diploma, or certificate: 3.49 Grade Point Average (GPA) or below (black and gray), 3.5 GPA or higher (black and gold).

STOLE

The stole is worn by Phi Theta Kappa Honor Society members to indicate academic achievement and membership.

CORD

The Patriotic Honor Cord is red, white, and blue. It is worn by graduates who have served in the United States Armed Services.

GRADUATES

- * **Honors Graduate**
- ** **Phi Theta Kappa Member**
- *** **Honors Graduate & Phi Theta Kappa Member**
- + **PSEO Graduate**

Note: Since this commencement program is prepared in advance of the receipt of final grades, the listing of graduates and academic honors status may, in some instances, be inaccurate. Graduation and receipt of academic honors are validated by the student's permanent record which is kept in the Registrar's Office.

ACCOUNTING

*Instructors: Mark Meuwissen,
Stacy Peterson*

AAS Degree

Rien, Paige, Farmington

ACCOUNTING TRANSFER PATHWAY

*Instructors: Mark Meuwissen,
Stacy Peterson*

AS Degree

Manders, Jay, Osakis ***

BIOLOGY TRANSFER PATHWAY

Instructors: see Liberal Arts faculty listing
