

**MSCF FACULTY JOB POSTING**

- POSITION:** Fluid Power Instructor (PCN 00750690)
- STARTING DATE:** Approximately August 1, 2019
- APPOINTMENT:** Full-Time Unlimited
- DEADLINE:** To receive guaranteed consideration, application materials should be submitted online by February 28, 2019. The search will remain open until the position is filled.

**RESPONSIBILITIES:**

Full-time instructional position to instruct fluid power related courses in the mechatronics program. This position will be in the Manufacturing Division of the college. Other non-instructor duties will include recruiting and interviewing prospective students, advising current students, developing and delivering curriculum, job placement for graduates, and maintaining an on-going relationship with industry.

**MINIMUM QUALIFICATIONS:**

*Education Requirement*

- Two year diploma in fluid power technology.

*Occupational Experience Requirement*

- Four full-time years (or equivalent) of verified related paid work experience in fluid power technology.

*Recency Requirement*

- One year of this work experience shall be within the five years immediately preceding the date of application for the credential field. The recency requirement shall be waived if the individual has two years of successful full-time (or equivalent) postsecondary teaching experience in the credential field within the last five years.

**PREFERRED QUALIFICATIONS:**

- Extensive knowledge of industrial and mobile hydraulic systems theory, with application experience at both a component and circuit level
- Experience with electronic control of hydraulic systems
- Experience with design, assembly and motion of fluid power systems
- Comprehension in the installation, use, maintenance, and troubleshooting of mechanical drive components
- General manufacturing experience
- Excellent written and oral communication skills (Microsoft Office)
- Teaching / training experience
- Ability to work both independently and with a variety of people as a team member
- Ability to work with a diverse student body with a broad range of interests and abilities
- National and/or internationally recognized professional membership

**NOTICE:** In accordance with the Minnesota State Colleges & Universities (MnSCU) Vehicle Fleet Safety Program, employees driving on college/university business who use a rental or state vehicle shall be required to conform to MnSCU’s vehicle use criteria and consent to a Motor Vehicle Records check.

**TO APPLY:** Apply online at <https://www.alextech.edu/employment>  
Click on Academic Jobs – “How to Apply” link to apply. You must apply online and attach an electronic resume and copies of your transcript(s) to your online application in order to be considered for this position.
