You can find your Tech ID in the upper right corner of eServices, after you log in.

### STUDENT ID CARD

Your Microsoft 365 login is also used to access apps like Brightspace, Zoom, and Mediaspace. To ensure these connected accounts are secure, Multi-Factor Authentication (MFA) is required. You'll be asked to set up MFA the first time you log in to your Microsoft 365 account. The easiest method is usually via text message (SMS), but you can also use an authenticator app. More info at [alextech.edu/IT](https://alextech.edu/IT).

### LAPTOPS

Students may lease a laptop computer on a semester or weekly basis, if available. Several programs require students to lease college laptops. If this is your first time leasing a laptop, complete the online orientation in Brightspace before you pick it up. Instructions at [alextech.edu/laptop](https://alextech.edu/laptop). Under 18 requires parent/guardian signature.

## VISITOR PARKING

Visitor parking permits are available at the Welcome Center. There is no cost for visitor parking. Visitor parking permits are not required for on-campus athletic events.

## SPORTING STORAGE / TRAILER PARKING

Trailers are not allowed in parking lots unless for an approved event such as Competitive Fishing, and only in designated areas. **Sporting Storage** is available to all students, to securely store sporting equipment and/or trailers. At just \$25-50 per semester, this is a great option to keep your toys close by! \$10 additional fee for electric. Request your storage space from the Business Office (room 106, main building).

## PARKING VIOLATIONS

Rules are enforced for improperly parked vehicles or vehicles without a permit. Parking tickets are paid to the ATCC Business Office.

- » First Violation ..... Written Warning
- » Second Violation ..... \$25 Parking Ticket
- » Third Violation ..... \$50 Parking Ticket
- » Fourth Violation ..... Boot or Tow at Owner's Expense

## CAR STARTING / UNLOCKING

ATCC provides free use of a jump-starting booster pack, available from the Welcome Center. You must bring a valid driver's license, have a valid parking permit, and must be parked in a college parking lot. For safety reasons, ATCC and the Alexandria Police do not unlock vehicles. We recommend contacting a locksmith.
