

**CITIZENSHIP:**

Applicant must be a US Citizen to be eligible to take the MN POST Board exam.

**DRIVER'S LICENSE:**

Applicant must possess a valid driver's license.

**PSYCHOLOGICAL EVALUATION:**

The student will be given the MMPI-2 on campus prior to skills admission. The results of the questionnaire will be interpreted by a psychologist. Students falling outside of established standard deviation limits will be contacted regarding these variations and may result in a retake or a meeting with the psychologist.

**CRIMINAL HISTORY:**

The applicant will be provided a self-notification Criminal History Conviction Advisory form as well as a Department of Public Safety (or equivalent) Release of Information form allowing the retrieval of a criminal history from the student's state of primary residency.

**MEDICAL:**

The applicant must submit a physician's statement on a form provided by the college certifying that the applicant's medical condition is appropriate for engaging in demanding physical activity.

**ACCEPTANCE:**

Acceptance into the skills portion will be granted only after a determination of compliance has been conducted regarding the above stated requirements and conditions.

*I understand that the above stated requirements will be used in determining admittance into the skills portion of the program and agree to abide by these requirements.*
