

Assessment Plan 2023-2024

Ophthalmic Medical Technician

Mission

Consistent with the mission of Alexandria Technical & Community College, the Ophthalmic Medical Technician Program (OPMT) is dedicated to providing a positive learning experience for students emphasizing competent, compassionate patient care, professionalism, and the knowledge and skills necessary for certification through the International Joint Commission on Allied Health Personnel in Ophthalmology (IJCAHPO) at the Certified Ophthalmic Technician level, and to gain employment in the ophthalmic technician field.

Academic year 2023-2024
